HEALTHCARE STRATEGY CONSULTING FIRM HEALTH ADVANCES, LLC EXPANDS WEST COAST OPERATIONS

September 1, 2009

San Francisco — Health Advances, LLC is pleased to announce the expansion of its West Coast office. Led by Kimberly Howland, PhD, Vice President, our California-based team is adding new consultants to better serve our diverse and growing clientele. "Health Advances leverages the clinical expertise and deep industry insight of professionals in both our East and West Coast offices to provide innovative, actionable commercialization solutions for our clients worldwide," said Ms. Howland.

To accommodate its growth, our West Coast office has moved to a new location:

201 Mission Street, Suite 500
San Francisco, CA 94105
Tel: 415-834-0800
Fax: 781-392-1484

About Health Advances

Health Advances, LLC is a strategy consulting firm focused exclusively on the healthcare industry. Since 1992, Health Advances has completed more than 900 projects for leading pharmaceutical, biotechnology, medical devices, and diagnostics companies and their investors. Operating at the intersection of science, technology, and business strategy, Health Advances provides clients with commercialization strategies based on deep industry insight, analytical rigor and an objective perspective. With offices in Boston and San Francisco, Health Advances is the trusted advisor in healthcare strategy consulting.
